

LECTURER/SENIOR LECTURER (TEACHING ONLY POSITION) DEPARTMENT OF STATISTICAL SCIENCES FACULTY OF SCIENCE

We invite applications to fill a permanent position at Lecturer or Senior Lecturer level on academic teaching conditions of service. The position does not require the successful applicant to conduct research but entails a heavier teaching load.

The Department of Statistical Sciences at the University of Cape Town is responsible for lecturing and research in the disciplines variously known as Statistics, Operations Research, Quantitative Methods, Data Science, Machine Learning, Decision Science and Analytics, and includes the application of the Statistical Sciences in all areas of human endeavour. The department offers qualifications in these disciplines at undergraduate and postgraduate level to students from Science and Commerce, and service courses to other faculties. The department has a strong record of broad interdisciplinary work in its teaching and research.

For this position, we are interested in candidates who can teach in the statistical sciences and supervise postgraduate students. Interest and experience in blended learning approaches to teaching of statistics would be an advantage.

To view and apply for this position, please visit the UCT Jobs site [View](#) (For Internal Applicants) and [View](#) (For external Applicants) to create a profile and to submit your application.

Closing date: 27 March 2026
